Karnataka, India.*

*<sup>2</sup>Professor & Chairman, Dept. of studies & Research in Commerce, Gulbarga University  
Gulbarga, Karnataka, India*

### **ABSTRACT**

Cell phones these days play a vital role in the overall development of a person, this thought of us also makes us feel that without using a mobile phone one cannot grow further personally or professionally. The positive effects of mobile phones are known and acknowledged by the whole world. Mobile phones have not only given us the power to talk wirelessly, but also provided us with many highly usable functionalities like taking pictures and videos, listening to music, playing games, accessing the Internet and much more.

**KEYWORDS:** Cell Phones, Communication, Traffic Lights, Wireless.
